miller test prep s study guide for the accuplacer is the solution for students who want
to maximize their score and minimize study time our study guides are carefully
designed to provide only that clear and concise information you need that s precisely
why we put clear concise on our cover the standard for the study guide industry is to
throw in the kitchen sink when it comes to making a book meaning you are stuck with
hundreds of pages of repetitive information redundant and confusing examples and
more practice questions than any person could be expected to work through this
results in students feeling overwhelmed leading to reduced self confidence which
leads to lower scores instead miller test prep has worked specifically with tutors why
tutors you ask tutors specialize in helping students comprehend information that has
already been presented by a teacher that means they see time and again what
students struggle with and what actually works to help them they specialize in helping
students who have previously failed to succeed we compiled their decades of
experience helping students just like you into this study guide so you pass the first
time in this accuplacer book we ensure you are thoroughly prepared for this critically
important test comprehensive review of all accuplacer exam sections reading
comprehension sentence skills write placer mathematics step by step examples for
every concept tested practice test questions like the real exam detailed thorough
answer key explanations 6 complete essay examples with scoring explanations
