a study on freemasonry illuminati esoteric and anagogical developments extending to the two lost continents of mu and atlantis to the maya uyghur and the egyptian civilizations judaism christianity and islam where are the roots of monotheism who were the first monotheistic believers where are the roots of today's heavenly religions this research is about a doctrine that has deeply influenced the belief systems since the dark periods of human history within the context of processes of historical development of esoteric beliefs in addition to the birth of monotheistic religions the esoteric teachings that enable the rational thought system to reach the present and allow us to be in the era of reason reveal that god is love and not fear and that the power of intuition is led by reason the greatest deficiency of our time is that this great love is not boldly revealed the real purpose of this work is to bring this sublime expression of love out of its narrow frames to reach out to the masses

we all want to know what will happen to the earth and to those who come after us our children and our grandchildren diane seeking an answer has gone to women visionaries and seers women who channel the future and those who bring it to life in their writings this is the time diane avers for women to define what needs to be changed and begin to do the work by women s power of thought and creation we together can make a better world

a re issue of the 1926 classic by james churchward the lost continent of mu motherland of men supplemented with fresh research and new material by the author s great grandson in the 1920s james churchward wrote a series of groundbreaking books about the lost continent of lemuria which he called the land of mu the basic premises are these the garden of eden was not in asia but on a sunken continent in the pacific ocean the biblical story of creation came not from the peoples of the Nile but from this now submerged continent of mu the motherland of men mu was an advanced civilization of 64 million inhabitants he obtained the information by living with monks and translating unknown manuscripts over the years his books have come to be considered occult classics now his great grandson jack churchward has resurrected this valuable work and added his own research included the lost continent the land of man s advent on earth egyptian sacred volume book of the dead symbols of mu north american s place among the ancient civilizations the geological history of mu ancient religious conceptions ancient sacred mysteries rites and ceremonies

barbara g walker bestselling author of the woman s encyclopedia of myths and secrets and past winner of the american humanist association s humanist heroine award takes a hard look at religion in her latest book belief unbelief walker s 22 new essays cover the spectrum from the islamic holocaust being perpetrated against women to the dizziness of crystal gazers in encountering the new age walker explains in depth how religion has been perverted from its naturalistic roots in the celebration of the mystery of new life to a patriarchal orgy of violence in does religion make people good walker responds with an emphatic no citing extensive evidence of bible morality to produce today s christian god the monster women have borne the brunt of patriarchal religion s evils walker even argues cogently for religion as the root of sexism yet in her conclusion family and the future the ever upbeat walker imagines a return to the original best traditions of religion as a metaphor for the wonder of the universe

controversial archaeological and astronomical discoveries have been the subject of countless news stories best selling books movies and television programs promoted but seldom critically evaluated are the theories that markings in the desert of peru are the remains of an ancient airfield used by space visitors that the great pyramid of giza in egypt exhibits advanced technology unknown to the ancient egyptians and that there were near collisions between planets of our solar system in historical times this book critically evaluates many of these popular hypotheses about man s early history it presents the most important evidence and arguments for and against theories of a universal flood the lost continent of atlantis mysterious pyramid powers pre columbian voyages to america by ancient egyptians and phoenicians and velikovsky s cosmic catastrophism professor stiebing stresses the need for careful and objective analysis of the evidence used to support radical reconstructions of the past the book discusses radio carbon dating archaeological stratigraphy
